## Report of the Committee For the Year 1945

To be presented at the ANNUAL GENERAL MEETING to be held at the RURAL DISTRICT COUNCIL CHAMBERS on Thursday, May 2nd, 1946, at 3.30 p.m.

---

### GENERAL.

Report of the  
Committee.

A lot of water has flowed beneath the Stone Bridge since the first Annual Meeting of this Institution was held; today we celebrate the 127th. During that period great, far-reaching and world-wide events have taken place, especially during the last few years, connected not only with world history, but also with the history of the Chelmsford and Essex Hospital. From its birth, when it was principally a Dispensary for purely local cases, it has grown and extended in every way, and today we can safely affirm the Hospital can boast of being one of the best of our provincial Voluntary Hospitals. The endeavour of your Committee will be to keep moving forward, and when the situation allows to proceed with the building of an Out-Patients' and Rehabilitation Centre, including all clinics, under the title of the Keene Block. This will be erected on the most modern and up-to-date plan and contain all that Medical and Surgical science can desire.

We have emerged from a most critical period in our Island's history. War for the past few years has overshadowed everything, and the awful effects of enemy action have been apparent to all of us. Now, though the war is over, for which we can all thank God, problems and difficulties are still apparent, and the Hospital world has its share of them. A great deal is being written and published as to the shortage of nurses. Luckily this Hospital can boast of an excellent and efficient staff. It appears some Hospitals are better off than others. Various means have been devised by

public and other bodies to increase the number of nurses. It is a noble calling, but the old saying, "*Poeta nascitur non fit*," applies here, and as was said the other day, "You cannot make a girl nurse, if she does not care for it, and feels she has not the call for it."

Voluntary Hospitals during the last century have given great service to the public. The advance of Medical Science is due to these Hospitals providing facilities for research. They have produced practically all the medical men in the British Isles, and have trained millions of nurses. This is a very great achievement and one that must be remembered by everyone.

In a publication of King Edward's Hospital Fund for London, issued in December, 1945, the total maintenance income of the 167 Voluntary Hospitals was £5,872,000, giving a surplus of £56,000 over maintenance expenditure. The income from subscriptions and donations showed an increase of 7.5 per cent over the previous year. Free legacies for the year amounted to £550,000, an increase of £19,000. Statistics of this kind are most interesting, and show the public that Voluntary Hospitals are being well maintained.

Lord Wigram in a recent discussion regarding the future of the Hospital Service said that they recognised the need to supplement Voluntary Hospital resources with support from public funds. New proposals, however, must be such as to encourage and not to stifle voluntary initiative.

The record of this Hospital for the past year has been a most satisfactory one from every point of view.

The Hospital has rendered invaluable service to Chelmsford and the District, and has treated a larger number of patients than ever before in its long history.

Judged by the appreciation expressed by patients and their relatives and friends, and the generous support given by the public, the Committee feel that the high reputation of the Hospital has been well maintained.

The late Dr.  
C. W. Alford.

The Committee is sure that the sorrow felt at the great loss which has befallen the Hospital by the death of Dr. C. W. Alford, will be shared by all the Governors and Subscribers. Chelmsford Hospital has lost a very sincere friend. His natural kindness and sympathy

with all those in distress were outstanding characteristics of his long and useful life. His popularity was shown when such a large number of friends attended his funeral at the Cathedral. For his "Nunc Dimittis" a sum of over £140 was sent to the Hospital, as he wished, instead of flowers.

Work done  
during the year.

All the Wards have been taxed to their fullest during the year, and at times it has been difficult to admit even emergency cases. The immense volume of work entailed demonstrates the great value of the Hospital in the everyday life of the people in the large District which the Hospital serves.

The increase in the number of patients treated, recurring as it does year after year, indicates the continued confidence that the general public has in the Hospital.

Work done  
during the war.

Now the war is over the Committee feel that the public should know of the very valuable work done by the staff during those six years. The Hospital was in the front line all through the war. The first enemy plane to be brought down was in Chelmsford, and the occupants were admitted to the Hospital.

Casualties were brought to the Hospital all through the war. At times the surgeons and staff worked throughout the night and day to cope with the injured. No less than 15,903 Service cases were treated, as in- and out-patients. Air raid casualties totalled 595, and blood was taken from 9,092 donors.

Statistics.

Patients treated during the year were :—

	1945.	1944.
In-patients (including Private Patients)	2,981	2,640
Out-Patients' attendances ... ..	48,476	48,658

Average number of days each patient resident ... ..	17·64	17·60
Average cost per patient per week...	£4/9/0	£5/2/3

Annual  
Subscriptions.

The Annual Subscriptions during the year have been well maintained, but the Committee feel that there are many more people in the area who could and should subscribe, and therefore makes a special appeal for an increase in Annual Subscriptions. The Committee would like to tender their grateful thanks to all those who have subscribed during the year. Their help has been most welcome. Subscribers wishing to help the funds of the Hospital are reminded of the facilities available under the Finance Acts, whereby an agreement entered into for an Annual Subscription over a period of seven years, enables the income tax to be recovered by the Hospital on the amount subscribed. The Committee is grateful to those Subscribers who have kindly completed such an agreement, and would be glad if a more extended use of this form were made, detailed particulars of which will be found on Page 25.

Library.

Grateful thanks are accorded to Mrs. H. M. Fletcher and Miss F. C. Hart for acting as Honorary Librarians to the Hospital. Their work in this way is very much appreciated. The patients look forward to their visits, and enjoy the books brought round to them each week.

Visiting Staff.

The Hospital is to be congratulated on its Medical, Surgical and Dental Staffs. Whatever the pressure of their other work they are always willing to give their time and ability to the care of the patients. The Committee cannot express too fully their deep appreciation of their services, and also extends its thanks for the services rendered by the Resident Medical Staff. Dr. R. G. Lyster has been appointed as Medical Superintendent in the place of the late Dr. C. W. Alford.

Medical  
Superintendent.

Nursing Staff.

The Committee wish to tender their warmest thanks to the Matron, Miss E. Clark, for the constant care she exercises in securing the welfare of her staff and patients. Also for the very able way she carried out her duties all through the war, at times under very trying conditions. The Committee also wish to record its sincere gratitude to the Sisters, Staff Nurses and Nurses for the unremitting care and skilful attention given to the patients.

Administrative  
and other Staffs.

The Committee are very glad to welcome their House Governor and Secretary back to duty, after his prolonged illness, and trust his health may be maintained for many years to come.

And not to be forgotten are those who, though perhaps not so much in the limelight, have done yeoman service, namely the Secretarial staff, the Dispensing Staff, those in the Laboratory, the Almoners' Office, and those in the X-ray and Massage Departments. One and all have exhibited the team spirit and quietly gone about their duties.

During the year Miss Thomas, Almoner, who had been given leave for a year to proceed to Cairo, returned to duty, but left soon afterwards to take up an appointment at Cambridge. Miss Graham Brown has been appointed in her place.

Thanks to  
Employers, etc.

The Committee cannot close the report without expressing their gratitude to all organisations and donors who have worked exceedingly hard during the past year to help the funds. Special mention must be made of the following :—

The employees of various firms, especially Crompton Parkinson Ltd., Hoffmann Manufacturing Co. Ltd., Marconi Wireless Telegraph Co. Ltd., Crittall Manufacturing Co. Ltd., London and North-Eastern Railway Co., Alexandra Rose Day Committee, League of Mercy. Local Cinemas, Essex County Council, Women's Institutes, Chelmsford Club, British Sugar Corporation Ltd., Chelmsford Angling Association, Chelmsford Firewatchers, Danbury Horticultural Society and Horse Show, Warren Golf Club, East Anglian Munitions Trust, Southminster Branch of the Essex Farmers' Union, Falcon and Writtle Bowling Clubs, Galleywood Flower Show, Chelmsford, Broomfield and West Hanningfield Horse Shows, Home Guard, Mid-Essex Technical College and School of Art, Springfield Flower Show, Messrs. Woolworth & Co.

V.A.D.s.

It is quite impossible for this Committee to thank sufficiently the members of the Voluntary Aid Detachment, who have done such splendid work at the Hospital all through the war. They have assisted in every Department, and have relieved the staff problems considerably. Under the leadership of Mrs. C. W. Alford they have carried out their duties splendidly.

The Blood  
Transfusion  
Service.

This work has been carried out most efficiently by the V.A.D.s, and by this means many lives have been saved. The Committee wish most heartily to thank them and also all those who so willingly came forward to give their blood for their fellow men.

Hospital  
Stretcher  
Bearers.

At the commencement of hostilities volunteers were asked to undertake this very important work. Twenty men came forward under the leadership of Mr. Graham Harvey. They carried out their duties in a most excellent manner and were on call day and night. The Committee thank all those who so kindly helped in this way.

# Special Appeal for New and Increased Annual Subscriptions.

The Board of Management urgently appeals for additional help for the maintenance of the Hospital.

Subscribers are earnestly solicited to **INCREASE** their Subscriptions, and to induce those of their friends who do not contribute to the Funds of this Hospital to **BECOME SUBSCRIBERS.**

Personal  
Service.

The Committee desire to extend their very hearty thanks to :—

The Clergy and Ministers for their frequent visits to the patients and the services regularly held in the Hospital ; also for the kind gifts from Harvest Festivals and Collections.

The Press for their kind co-operation in connection with reports, description of the Institution's work and functions held during the year.

The Members and Officers of the Chelmsford Town Council and other local bodies for their very valuable assistance in various ways.

The Tradesmen for their financial help and assistance at all times.

The Chelmsford Police, the Fire Brigade and the St. John Ambulance Brigade for attendance upon and transport of patients following road and other accidents, and in many other ways.

The teachers and children in the Schools for their various collections.

Gifts.

The Committee has every reason to be thankful for the many proofs of personal thoughtfulness and sympathy shown by generous donors, who sent gifts of flowers, fruit, vegetables, game, provisions, toys, books, etc.

Private Wards

A demand has for some time arisen for more Private Ward accommodation, and to meet this four semi-private curtained wards have been arranged on the first floor in what was previously " E " ward.

Joint Advisory  
Board.

A Joint Advisory Board has lately been formed, consisting of six members of the Medical and six of the House Committees. They will meet quarterly or more often if necessary, when ideas can be exchanged beneficial to the working of the Hospital.

Matron's  
Xmas Sale.

The Matron again held her Xmas Sale in aid of the staff and the patients' festivities. As usual, it was a huge success. All who took part and assisted are to be warmly congratulated. Over £400 was collected.

Linen League.

During the year the Linen League has done a very great deal of most useful work, and the Committee cannot express too fully its appreciation of the help

received from the ladies of the League, especially Mrs. Adolphus Matthews, Honorary Secretary, and Mrs. R. E. Pitts, Honorary Treasurer.

In conclusion.

As all are aware, the question of Voluntary or State Hospitals is being brought forward. In a State Hospital would the patient be better looked after than he or she now is under the voluntary system ; would he or she be better fed, receive better medical attention or be better nursed ?

We ask you for your opinion on these points: here is the Hospital and all pertaining to it ; if you approve of the work which is being carried on, may we ask you to give of your best to help the Committee by your gifts and by interesting others. In return, the Committee assure you no stone will be left unturned to prove that your confidence has not been misplaced.

### CONTRIBUTORY SCHEME.

It is very pleasing to note that since the Scheme was formed it has never looked back, and now produces a large income, which it is hoped will steadily increase year by year. Not only is it a great asset to the finances of the Hospital, but of very great benefit to its members. There are many who have not yet availed themselves of the benefits of the scheme, but who will, it is hoped, become members during the year. We also hope that all those who will soon be leaving the Services and who discontinued their contributions when they joined up will again join the scheme.

At the present time there are 16,130 members, and the total amount collected during the year was £14,562 6s. 10d., an increase of £374 16s. 3d.

During these six difficult years that have just passed the contributions have been well maintained, and it is largely due to the self sacrifice, unselfishness and loyalty of the band of organisers and collectors who have carried on their noble work for the Hospital without any hesitation. Their work is arduous and continuous. The Committee most sincerely thank them. Mr. T. A. Allen was appointed Chairman of the Committee during the year in succession to Mr. J. Gowers, and thanks are accorded to him and also to Miss West who has ably carried out her duties.

## **Bed Endowments.**

---

**There is no better or more appropriate way of perpetuating the memory of a departed relative or friend than the Endowment of a Bed. It is the highest form of benefit conferable upon the Hospital, as it ensures a perpetual income for the carrying on of a good work.**

---

**£1,000 will endow a Bed and  
£500 a Cot.**

Everyone of us ought to think of **Our Hospital**, as a personal matter, and make some contribution to its well-being.

**If we do not want it to-day we may to-morrow ; if never we shall still have the profound satisfaction of having helped others.**
